FILE No. 434 *of* 1888

Municipal Report of the C & M Station for 1887-88.

After some reminders the Report has been submitted in manuscript in the present form. The same was done last year, but as the report was too bulky, a printed copy was asked for, for submission to the Resident.

2. Again, the Report as now forwarded has not been passed by the Board. The President says that it will be placed before the Commrs at the next ordinary meeting which will be convened, it is believed, on the 29th instant.

It would not be advisable to submitted, to act upon in its present form

copy of the Board's Resolution on his
report, and printed copies of the Report.

report will be checked by the Office.

13 In letter No. 365/1618 dated 26: Sept! 1888 at No 3 the President, Municipal Commission says ~~that~~ it has not been usual to convene a special meeting of the Comm!s in connection with the Municipal administration Report & that the practice was for the President to lay the Report before the Comm!s at the ordinary meeting. This course is being adopted on the present occasion.

14 The delay in the submission of the Report is chiefly due to the pressure of work connected with the general Elections as also to the collection of necessary information for the Report.

15 All that is wanted is the timely submission of the Report, no matter whether it is laid before the Comm!s at the ordinary or special meeting. If approved the President may be told that steps should be taken in future for the submission of the Report ~~should be submitted~~ within the prescribed date, viz 30th June.
